

## Nursery Home Learning Timetable

Happy New Year!

To ensure that children's learning continues at home over the next two weeks, please read the information and timetable provided (any changes will be announced on your class homepage in Teams). We are pleased to be able to conduct live lessons which will take place virtually using Office 365/Teams. This will allow teachers to conduct face to face online teaching.

**Work will be set day by day and it is expected that all pupils complete the work set on each day.** Teachers will show pupils how to access the assignments each day and where to upload their work. We request that you take photos of any hand written pieces of work and that they are uploaded onto Teams.

It is expected that all pupils will attend online lessons with their teachers to receive the teaching input and then complete tasks afterwards. **Please ensure all pupil's cameras are turned on so we can register their attendance. If your child has any technical issues accessing the work or the online lessons, please contact the school immediately and we will endeavour to resolve any issues.**
