

Happy New Year!

To ensure that children's learning continues at home over the next two weeks, please read the information and timetable provided (any changes will be announced on your class homepage in Teams). We are pleased to be able to conduct live lessons which will take place virtually using Office 365/Teams. This will allow teachers to conduct face to face online teaching. All the children had their Login details for Teams in Autumn Term.

Each day we will be uploading our timetable, as below, and any links needed onto Teams, there will be videos and links for phonics, maths and English. The timetable shows when the teachers will be live on Teams and any other learning focus for that day.

Work will be set day by day and it is expected that all pupils complete the work set on each day. Teachers will show pupils how to access the assignments each day and where to upload their work. The school website has some guides for how to access the different platforms from Teams to Purple Mash.

It is expected that all pupils will attend online lessons with their teachers to receive the teaching input and then complete tasks afterwards. Please ensure all pupil's cameras are turned on so we can register their attendance. If your child has any technical issues accessing the work or the online lessons, please contact the school immediately and we will endeavour to resolve any issues.

Reception Timetable (Starting: 5th January 2020)	
9.00am	Welcome! Log into Teams so you are ready to join the live lesson.
