Total amount of grant allocated to the school in 2024- 2025: **£19,420**

Total amount of grant allocated to the school in 2025- 2026: **£19,450**

These are the ways in which we will use Sports Premium funding to enhance sport at Aveley Primary School:

1. To provide high-quality teaching in lessons through collaborative teaching, planning review and support through the appointment of sports coaches.
2. To increase the number of competitive programmes – we aim to ensure that all our children have the opportunity to participate in competitive interschool competitions, as well as competitive inter-house and Catalyst Trust activities across all year groups. This includes opportunities for our pupils with SEND to compete. The events we compete in include: football, netball, cross country, badminton, NFL, rounders, dodgeball, Key Steps gymnastics, quad kids, tag rugby, indoor athletics, outdoor athletics, basketball, hockey, table tennis, tennis, dance, golf, boccia, curling, archery and kwik-cricket as well as representing the local authority in National Events.
3. To enhance our schools sports provision with a variety of sports being taught by trained coaches throughout the year, for all key stages including: tag rugby, rounders, badminton, basketball, dodgeball, hockey, table tennis, football, netball, swimming, indoor and outdoor athletics, cross country, tennis, gymnastics, dance, archery, quad kids and kwik cricket. Our coaches also ensure our pupils meet the national curriculum requirement that they are water confident and able to swim at least 25 metres.

4. To provide specialist coaching to enhance the children's learning and assist the training of the staff for sustainability.
5. To subsidise transport to large events to ensure that all pupils have an equal opportunity to compete and participate in as many interschool sporting events from EYFS, Key Stage 1 and 2.
6. To purchase the equipment needed to be able to deliver a broad and balanced curriculum. For example, by purchasing new gym beams so that all sports have a fair and balanced time taught.
