Year 5 Visit to Somers Heath for the Astrodome

Dear Parents/Carers

On Thursday 10th October we have arranged for Year 5 to visit Somers Heath Primary as part of their science topic – ‘Earth and Space’.

The purpose of the visit is to take part in a science workshop in an ‘astrodome’. Somers Heath have kindly offered to host so that all the Catalyst schools can attend over the course of the day.

The cost of the visit will be £2.30 per child. We have secured this low cost due to sharing the expense across the Trust. If the school is unable to cover the cost of the trip due to a shortfall in payments the school will cancel the visit and refund parents. **All money must be paid by date Wednesday 2nd October, but please can we ask that permissions are completed as soon as possible, by Friday 27th September.** If you are finding it difficult to make this payment, then please speak with us to see what other payment arrangements can be made.

The children have been enjoying their work so far on our space topic and this will be a great way to inspire and reinforce their learning. The ‘astrodome’ will also build on our learning from the Science Museum visit.

Please use the Arbor App to confirm your child’s attendance and/or view and modify your child’s photograph consent level by Wednesday 27th September 2024.

Thank you for your continued support and we look forward to sharing more with you after the visit.

Yours sincerely

Mr M. Sisterson
Year 5 Lead Teacher
