Year 5 - USA Enrichment Day

Dear Parents/Carers

On **Thursday 7th November**, Year 5 are holding a USA-themed enrichment day to introduce our new geography unit.

During the day, we will take part in a variety of activities linked to the USA, as well as using our geographical skills in projects such as creating a holiday brochure.

We are encouraging pupils to wear USA-themed outfits for the day. Some of the suggestions from the children are cowboys, astronauts, cheerleaders, baseball players, basketball players, presidents, pop stars or other well-known American faces – last year we were even joined by the Statue of Liberty! Children also suggested simply wearing the colours of red, white and blue, or clothes that feature stars and stripes. Please be reminded that makeup, high heel shoes and large earrings are not appropriate for school.

Additionally, we will be doing some 'junk-modelling' to create famous US landmarks. If you have any materials that could be used for this, or craft materials you no longer need at home, please send in to school with your child.

We are looking forward to igniting the children's enthusiasm for the USA and boosting our geographical skills.

If you have any questions, please speak to your child's teacher.

Yours sincerely

Mr M Sisterson – Year 5 Lead
