EYFS 'Fairytale' Enrichment day

Thursday 14th November 2024

Dear Parents/Carers,

On **Friday 29th November 2024**, EYFS will be holding a 'Fairytale Day' in school which coincides with our current topic of 'Traditional Tales'.

We will be participating in lots of activities with a Fairytale theme, such as – Cinderella's ball (dancing), decorating gingerbread men, building the 3 pigs houses etc. These activities have been chosen to fully immerse your child within the world of Fairytales which may be well known to the children and opportunities to explore Fairytales which may be unknown.

All activities will correspond with the Early Years Foundation Stage Profile and children will be given opportunities to extend their current learning and build on the skills taught within Early Years ie: decision making, exploring through play, building and constructing, using their gross and fine motor skills.

We ask that children come to school dressed up on the day as a character from a Fairytale (big bad wolf, red reiding hood, a prince/princess/King/Queen, Peter Pan etc). You can be as creative as you like with their costumes as we don't expect you to buy a costume which your child may not have in their wardrobe at home.

We will also be holding a Fairytale in a shoe box competition for the child who has the most interesting and unique shoe box design. This can be a scene from a well-known Fairytale which is created within a shoe box. Please let your child be involved in the creative process so that the box is as special and unique as they are. If you don't have a shoe box at home and need one, please speak with your class teacher. Here are some ideas:

As always, thank you for your continued dedication and support.
The Early Years Team3
